Engineering News-Record

A Consolidation of Engineering News and Engineering Record

A JOURNAL OF CIVIL ENGINEERING AND CONSTRUCTION

ISSUED WEEKLY

VOLUME 90

January 1 to June 30, 1923

McGRAW-HILL COMPANY, INC.
10TH AVENUE AT 36TH STREET
NEW YORK

ENGINEERING NEWS-RECORD

INDEX TO VOLUME 90

January 1 to June 30, 1923

	Pages
Jan. 4	1 to 50
Jan. 11	51 to 98
Jan. 18	99 to 144
Jan. 25	145 to 190
Feb. 1	191 to 238
Feb. 8	239 to 284
Feb. 15	285 to 330
Feb. 22	331 to 376
Mar. 1	377 to 424
Mar. 8	425 to 472
Mar. 15	473 to 518
Mar. 22	519 to 564
Mar. 29	565 to 606
Apr. 5	607 to 650
Apr. 12	651 to 692
Apr. 19	693 to 732
Apr. 26	733 to 772
May 3	773 to 816
May 10	817 to 856
May 17	857 to 904
May 24	905 to 944
May 31	945 to 984
June 7	985 to 1028
June 14	1029 to 1068
June 21	1069 to 1108
June 28	1109 to 1148

A

Abrams, Prof. D. A., on effect of integral waterproofing compounds on strength of concrete .....letter 408
Accidents, auto pushes bridge off abutment (C. Haydock) *116
Brooklyn train derailed n1138
Building collapse, New York, due to incompetence e473
Defective timber causes concrete collapse n35
Demolition risks e607, n638
Drawbridge pier destroyed by steamer.. 340
Dust explosion in St. Louis flour mill.. n89
Highway (D. Beecroft) 152
Pittsburgh collapse of house kills four..n223
Railway, and track work 702
Runaway car damages brick building..n1060
Street, decreased at traffic where traffic circle was used 164
Water department employees, accidents to 750
Water tank at Hartford, Conn., falls, 9 dead....n640, (Prof. C. T. Bishop) *675, e693, 712
Acetylene generator, portable n*604
Acker, W. L., on why not abandon the word "engineer" .....letter 176
Activated sludge, see Sewage Treatment.
Adams, O. S., review of book on least squares 126
Adamson Motor Co., attachment converts farm tractor into industrial locomotive..n*730
Advertising, "Chief Draftsman Dobe" exposed 583
Advertising record runs of equipment.. n602, n643, n688, e694, n729, n769, n770, n900
Advice, engineering, free (N. F. Hopkins) .....letter 760
Aëration of water, see Water Treatment.
Aërial bombs, concrete protects against.. 706
Aërial maps, see Maps.
Aërial surveys, see **Surveys.**

AERONAUTICS
Balloon, dirigible RS1, committee to report on n365
Hangar, Army, at Scott Field, Illinois (H. F. Smith) *334
Postoffice bill would encourage aviation.. 208
Times have changed e817
Africa, Cape-to-Congo railway service 451
African Gold Coast, harbors 1037
"Agamemnon" to be reconditioned n464
Agg, T. R., on economic theory of highway grades *76
Aggregate, see Concrete.
Air, compressed, see Compressed air.
Akron, Ohio, paving program for 1923..n223
Alabama Interstate Power Co. gets power license n1099
Alabama Power Co. makes aërial survey of Tallapoosa River basin n602
Alameda, Cal., see Oakland.
Alaska to celebrate Alaskan Ry. completion n935
Alaska R.R., bridging Tanana River (Lt. Col. F. Mears) .....*476, see also n*938
Operating expenses 1922 .....n1099
Albany, N. Y., engineers, endorse plan to merge state agencies n554
Resolutions on state engineer n366
Alexander, M. W., on immigration as affecting labor situation....e3, 11 (see also *8)
Alfred, F. H., on winter track work, Pere Marquette Ry.....letter 636, see also 438
Alkali lands, see Land Reclamation.
Allegheny River bridge not to have stone-faced piers n368
Allied Mach. Co. to manage domestic sales..n415
Allis-Chalmers Co., turbine-driven centrifugal pump n*902
Allman, J. C., on relocation of auto headlights .....letter 318
Alumin water treatment, see Water Treatment.
Amateur, highway, education of e565
Ambassador, an engineering e101
Amer. Assn. for Advancement of Science, engineers at meeting n89

AMER. ASS'N OF ENGINEERS
Benham, W. L., elected president.....n*848
Board acts on registration laws.....n464
Committee on salaries of engineers in public service, progress report..... 917
Convention, Norfolk, Va. ....e859, 888, n*898, (F. H. Newell) letter 1014
Convention, papers, reports, etc....915, e945, e946
Directors condemn cantonment suits and indictments n412, n464
Employment service new (W. L. Benham) ....letter 1097, see also 830
Helps to expose "Chief Draftsman Dobe" 583
Indianapolis Chapter to attack smoke nuisance n88
License law, new 916
Nat'l Practice Committee, report..915, e946
Nominees, four, for presidency n*639
Quarterly meeting n464
Turning point, in society's history.... e859, 888, n898 (F. H. Newell) letter 1014
Amer. Ass'n of State Highway officials, fills vacancies n1018
Meeting Dec. 3, 1923 .....n1061
Opens Washington offices n321
Amer. Beccari Corp., garbage process ready for U. S. n*324
Amer. Cement Mach. Co., rubber-tired concrete mixers n*95
Amer. Concrete Institute, abstracts of papers a216
Convention report n223
Twentieth anniversary n1015
Amer. Concrete Pipe Ass'n, hears engineers.n229
Amer. Engineering Council, see Federated Amer. Engineering Soc.
Amer. Engineering Standards Committee adds sustaining members n509
Year book for 1923 719
American Falls project, progress on.....n804
Amer. Forestry Ass'n, Col. Graves new president n179
American individualism, book by Hoover.. 125
Amer. Inst. of Consulting Engineers, election n321
Amer. Linseed Oil Co., trade information case in Supreme Court n809
Price interchange unlawful e1030, n1065
Amer. Locomotive Co. to co-operate with Gen. Elec. Co. in manufacture of electric locomotives n414
American marine standards committee organized e818, n850
"American Plan," see Labor.
Amer. Pub. Health Ass'n, meeting n1015

AMER. RAILWAY ENG. ASS'N
College co-operative committee appointed.n601
Committee on university relations..201, n601
Conpention e425
Conpention—and a suggestion for A.R.E.A. e520, 539, n555, n559
Lee, E. H., new president n*555

AMER. ROAD BUILDERS' ASS'N
Convention e146, n178
T. H. MacDonald to address meeting...n850
Meeting n768, n*937
Nominations n321
Prepare now for next year's show..e146, n*184
Amer. Rolling Mill Co., corrugated culverts bear date tag n*644
Amer. Soc. for Munic. Improvements, convention Nov. 12-16 .....n321
Meeting place changed to Atlanta.....n1101
Amer. Soc. for Testing Materials, meeting fixed n90
Meeting program n806

AMER. SOC. OF CIVIL ENGINEERS
And Federated Amer. Eng. Societies, Am. Soc. C. E. to vote again on affiliation n132, e240
Affiliation again rejected.....e652, n*683, (W. E. Rolfe) letter 933
Arguments in ballot corrected..n412, n599
For and against joining a406
And registration, Board of Direction directs draft of model law.....e379, n411, (W. H. Aspden) letter 522, n723
Annual meeting e145, 166
Annual meeting, program n34
Board of Direction meeting.....n132, n723
Convention, New Orleans e733, *764
Convention topic to be railroads n1100
Co-operation, a new start of e733
Demands early trial for accused members .....e145, n179, see also n132
Executive Committee acts on ousting of A. P. Davis n1138
From politics to production e147, 166
Honorary members, new n*133
Loweth, C. F., new president n*132
New administration under way n179
New York Section, discusses steel stresses n322
Election n935
Favors benevolent fund n764
Nominations n1015
Obligation, a neglected e331
Pledges support to building conference..n803
Spring meeting, to discuss problems of lower Mississippi River n597
Student chapter at Michigan an honor society e773
Technical discussion at New Orleans to be on Mississippi River n464
War fraud suits basis of Am. Soc. C. E. resolution ....n132, see also e145, n179

AMER. SOC. OF MECH. ENGINEERS
Convention n1018
Ethics, code of, enforcing e607
New York memvers vote for postponement of registration n763
Spring meeting to have railroad session..n637

AMER. WATER WORKS ASS'N
Abstracts of convention papers...962, 1008
Chemical and Bacteriological Section, abstracts of papers a1128
Convention, exhibits n689, n809, n980
Special train n689
Fuller, G. W., nominated for president..n275
Illinois Sec. meeting n639
Meeting, Detroit n975
New York Section discusses special assessments n409
Amer. Welding Soc., course for oxyacetylene welders n1145
Ames flowmeter, see Flowmeter.
Anderson, W. H., Tool & Supply Co., ground auger n*141
Anderson, W. S., on cost of winter cement storage for road construction 267
Anthony's Nose, see Hudson River.
Antioch water case revived in new form..n805
Appenines may be pierced by 11½-mile railway tunnel n978
Apprenticeship Commission, see Labor.
Apulia, see Italy.
Arbitration of business differences, one-week drive in New York n637
Arbitration in contract practice e1030
Arc welding, see Welding.
Arcades to relieve streets, New York (A. S. Tuttle) *710
Arch dams, see Dams.
Arches, concrete, Cappelen memorial, Minneapolis, design of 400-ft. arch....e145, *148
Collapse of 125-ft. span n35
Laitance at joint causes failure of rib....*355 (E. Godfrey) letter 460 (J. C. Rathbun) letter 682.
Architect, A graceful tribute to e905
Architects, truth about 1018
Argentina, feeder railways of 24-in. gage ....*307, (F. Lavis) letter 506
Highways and light railways (F. Lavis) ....letter 506, see also 307
Arizona and Colorado fail to ratify Colorado River pact n508
Arkansas River, Pueblo, Colo., see Pueblo.
Armco, corrugated culvert pipe tested..n*941
Army camps, see Camps.
Army hangar at Scott Field, Illinois (H. F. Smith) *334
Ash, L. R., on roadway widths and traffic ....letter 894, see also 699
Asia Development Co. to close Yellow River break n554
Aspden, W. H., on motor truck transportation problem ....letter 552, see also 378

ASPHALT
Conference on varieties n936
Highways, see Highways, Asphalt.
Plant with new features n*95
Varieties, producers confer n808, n900
Varieties, cut to ten by conference....n1020
Associated Equipment Distributors, meeting n229
Election n324

ASSOC. GEN. CONTRACTORS
Ask Federation to consider rising cost..n507
Buchholz, G. W., to leave n*181
Chapter programs directed by national body n848
Committee reports at convention ..e241, 260
Convention...n226, n273, see also e241, 260
Co-operation program outlines n513
Cowper, J. W., new president n*226
Directors' meeting n937
Gill, H. B., leaves association.....n1138
Inflation in construction, Association plan to curb n642
Overhaul specification, new, adopted..n937

*Illustrated: a, abstracts: e, editorials: n, news

Eng - Wahr

Promise of increasing usefulness..e241, 260, n273
Sawyer, Col. D. H., new sec.....n1130
Urge speedy trial of war fraud cases...n226
Young, E., new secretary n*557
Associations, trade, see Trade Associations.
Astoria, Ore., Army report advises filling streets only n90
Commission-manager administration in effect n178
Atchison, Topeka & Santa Fe, ballast-cleaning machine n*468
Double tracking n637
Second track to be opened n803
Atlantic Coast Line Ry., second tracking..n1015
Atwood, W. G., on concrete rock borers. . letter 894, see also 499
Auger, Ground, for contractors n*141
Austin Mach. Corp., Asphalt plant n*95
Austin-Western Road Mach. Co., drag with adjustable blades n*327
Roller for concrete road subgrade and maintenance work n*281
Australia, year book 1096
Automobiles, see Motor Vehicles.
Avery Co., road graders used for snow removal n*373
Aviation, see Aëronautics.
Ayres, M. V., on labor shortage.....e3, *8, (see also 11)

B

Babbitt, F. W., on design of oil tank fire walls *1132
Backfilling reforms e857
Bacon, H., a graceful tribute to e905
Bagasse made into wall board n730
Bailey, E. A., on stream-flow measurements under tidal influence *347
Bailey, F. M., on sunshade for concrete paving *1133
Baker, M. N., addresses Boston sanitary engineers 494, n508
On engineering and public health...494, (H. B. Cleveland) letter 802.
Balkans, railways *589
Ballantyne Pier, see Vancouver, B. C.
Ballast, see Railways, Ballast.
Balloons, see Aëronautics
Baltic states, railways *589
Baltimore, Md., Curtis Bay, see Curtis Bay.
Water supply, bids received for addition to filters n509
Contract awarded n597
Balt. & Ohio R.R., starts new grain elevator n686
Baltimore conference on city and regional planning e818, 842, n848
Bank established in New York by labor unions n1067
Banking, labor in e191
Bar bending machine n*1066
Barber Asphalt Co., portable hot-mix plant for bituminous pavement repairs *326
Barge Canal, see New York State.
Barnett, R. C., on logical method of computing motor-vehicle fees 797
Barometer, construction, see Construction.
Barometric effects and winds on the Great Lakes (J. F. Hayford)....e651, *665, (H. P. Ramey) letter 722.
Barrett, Mrs. R. E., chosen manager of Warrenton, Ore. n637
Bascom, B. S., on contractor puts pay office and toolhouse on wagon trucks.....*357
Bascule bridges, see Bridges.
Bassler, Lieut. R. E., on more machinery, not more immigration, needed....letter 635
Bates, P. H., review of "Cements, Limes and Plasters" (Eckel) 310
Bates road tests, see Highways, Tests.
Baths, public 932
Batteries, steel case, in two new sizes....n730
Baum, H. W., on duplication of orders... letter 893
Baumann, R., book on German tests of woods 129
Bausch & Lomb, optical contour projector. n1106
Bay City Dredge Works, locomotive crane, new trench-digging attachment n*373
New crawler dredge n*644
Baylis, J. R., on use of acids with alum and importance of pH concentration ..a963
Beams, flexural action in, book review...1094
Wooden, determining longitudinal shear in (G. A. Merrill).....*1056
Bear Mountain, see Hudson River.
Beaumont, Tex., injunction suit against bond issue dismissed n365
Beccari system, see Garbage.
Beecroft, D., on lighting highways and motor vehicles 152
Belgium presents Hoover statue to Stanford Univ. n34
Bell, Maj. J. F., new engineer commissioner, D. of C. n1059
Belle Isle Bridge, see Bridges, Belle Isle.
Bement, C. E., on neglected equipment...n513
Benham, W. L., elected president A.A.E...n*848
Biography *639
Benham, W. L., on new employment service of A.A.E.....letter 1097, see also 830
Bennett, C. J., retirement as Conn. highway commissioner n135
Bennitt, R. A., on building dam in Bolivia..*526
Bent, A. S., on advertising record runs..n781
Bergen, Norway, invites bridge plans n227
Berlin, Germany, sewage farms in use 50 years 1120
Besson, Maj. F. S., on methods for determining street pavement crowns *627
On street intersection mapped out by means of contours *255
Bibliography, cumulative 932
Bids, see Contracts.
Big Creek power line, see Southern California Edison Co.
Bigge River, Germany, concrete arch collapses n35
Billian, see Ironwood.
Billington, H. E., on featuring record runs in advertising n602, n643
Bishop, Prof. C. T., blames removal of bracing for tower collapse .....e693 712, see also 674
On structure of collapsed water tower, Hartford, Conn...*674, see also 640, e693, 712
Bishop's "Structural Drafting" revised, review of 127
Bismarck, N. D., to vote on waterworks bonds n847
Bissell, D. L., on slide rule solution of cosine formula.....*970, see also 759
Bituminous pavement, see Highways, Bituminous.
Blade grader road maintenance (W. H. Root) 157
Bland, J. C., appreciation of *490
Blasting (see also Dynamite, and Oxygen, Liquid) dynamite cartridges, priming in new way 547
Dynamite, small-diameter cartridges inferior (S. P. Howell and J. E. Crashaw) 677
Dynamite used to excavate soft muck..1057
Explosives, permissible, and mining equipment 1096
Liquid oxygen tested n414, 677
Machine, new n*730
T. N. T. moves rock on Tieton Dam project 594
Blaw-Knox, new cement handling and loading device n41
New concrete pole machine n*729
Strengthened steel road forms..... n95
Blinn, R. S., on highway location....letter 316
Block, wood, see Highways, Wood Block.
Blough, E. B., on homemade road shoulder shaper *755
Blowout in relaid cast-iron pipe (M. Maffitt) 594
Bluefield, W. Va., five-year construction plan n322
Blueprint dryer, new n*417
Blue Print Paper Co., new tracing paper..n644
Bogert, C. L., on false statement of quantities unbalances bid 998
Bogota, Colombia, pollution of water supply *921, e1030
Boiler feed water, sewage effluent used..1049
Boiler steel, tests 759
Bolivia, building a dam in (R. A. Bennitt) .*526
Government will build railway extension n90
Railroad construction in Andes.....n*805
Bolt, hot, "mystery" of (E. Godfrey).... letter 802
Bombs, Aërial concrete protects against.. 706

BONDS

City, sales, May and June, 1923.....n1107
City and state to safeguard e565
Detroit sales n179
January sales, value higher than December n329
Market strong n517
Sales gain n143, n731

BOOKS

"American Individualism" (Hoover)... 125
"American Railroads: Government Control and Reconstruction Policies" 314
"Bisherigen Ergebuisse der Holzprüfungen," etc. 129
"Cements, Limes and Plasters" (Eckel), review by P. H. Bates 310
"Concrete Construction for Architects" (Pond) 930
"Concrete-Steel Construction—Part I. Buildings," (Eddy and Turner), review by G. Paaswell....312 (C. A. P. Turner) letter *715
"County and Township Government in U. S." (Porter) 718
"Depreciation of Public Utility Properties" (Riggs), review by L. Metcalf 716
"Elasticity and Strength of Materials Used in Engineering Construction, Section I (C. A. P. Turner), review by G. Paaswell....312, (C. A. P. Turner) letter *715
"Elasticity and Strength of Materials," (Turner) 1094
"Elementary Sanitary Engineering in India" (Williams) 716
"Engineering Economics" (Fish), review by L. Metcalf 310
"Engineering of Excavation" (Massey) 717
"English and Engineering" 931
"Face of the Earth as Seen From the Air" (Lee) 503
"Filtration" 501
"Frederick Law Olmsted: Landscape Architect" 313
"Handbook of Steel Erection"..... 1092
"Highways and Highway Transportation."1093
"History of the Barge Canal of New York State" (Whitford) 930
"Introduction to Study of Labor Problems" (Watkins) 128
"Law of City Planning and Zoning" (Williams) 501
"Locomotive Cyclopedia of American Practice 128
"Loose Leaf Digest of City Manager Charters" (Crane) 718
"Making of Index Numbers" (Prof. I. Fisher) 1093
"Market Milk" (Kelly and Clement).. 930
"Mechanical Handling and Storing of Materials" (Zimmer) 502
"Mechanical Testing" (Batson and Hyde) 1092
"Modern Industrialism" (McVey) 314
"Mosquito Eradication" (Hardenburg).. 127
"Newcomen Society for Study of History of Engineering and Technology."..... 311
"Physical and Chemical Examination of Paints, Varnishes and Colors" (Gardner) 129
"Planning of the Modern City" (Lewis) 501
"Politics" (Exline) 718
"Practical Least Squares" (Leland), review by O. S. Adams 126
"Public Finance" (Robinson) 718
"Railroad Freight Transportation" (Loree) 125
"Rate Making for Public Utilities" (Lyndon), review by L. Metcalf 716
"Report of Hydraulic Power Committee, N.E.L.A." 1094
"Robert Fulton and the Submarine" (Parsons) 718
"Sewerage" (Folwell) 930
"Some Problems in Current Economics" 126
"Stores and Materials Control" (Cartmell) 127
"Structural Drafting and Design of Details" (Prof. C. T. Bishop) 127
"Structural Members and Connections," book review 1095
"Studies on Building Height Limitations in Large Cities" 502
"Treatise on Law of Surveying and Boundaries" (Clark) 314
"Twelve-Hour Shift in Industry" 931
"Vital Statistics" (Whipple) 502
"Waterworks for Urban and Rural Districts" (Adams) 716
Boom psychology, counteracting e819
Borers, see Marine borers.

BOSTON

Building, divers and compressed air used in underpinning *629
Engineers, discuss railroad problems...n509
Request speedy war-fraud trial n510
Incinerators for refuse advised..... 588
Sanitary engineers addressed by M. N. Baker 494, n508
Technical societies study railroad consolidation n509
Boston Soc. of Civil Engineers endorses plan for hydraulic laboratory n462
Boulders removed from harbor by means of cable net (C. C. Worsfold) *657
Boundaries, a treatise on the law of, book review 314
Boundary dispute, see Oklahoma.
Boyd, D. K., on seasonal employment in building construction 63
Brazilian engineering club honors Americans n89
Breckenridge, Tex., manganese deposit on water filter (J. B. Hawley and W. S. Mahlie) a834
Breed, H. E., on trend of concrete road design a218

BRICK

Association, see Nat'l Paving Brick Mfrs.' Assn.
Clay and concrete, tests show differences..e945 *959, (W. Carver) letter 1137
Face, standard dimensions for n1020
Face, varieties may be reduced n852
Manufacturers see no sign of building slump n983
Paving, see Highways, Brick.
Walls, see Walls.
Brick building damaged by runaway car..n1060
Bricklayers strike, New York.....n943, n1066, n1147

BRIDGES

Auto pushes bridge off abutment (C. Haydock) *116
Bascule:
Double leaf, new center lock (P. L. Kaufman) n*467
Footbridge with bascule draw (Lieut. P. J. Searles) *680
Recent orders n852
Belle Isle, erection progress shown on signboard (W. A. Schuerman).....*549
Bollman truss bridges, old, on Valley R.R., Va., (P. G. Lang, Jr.) *672
Bronze tablets on bridge preserve data..*968
Cantilever highway, across Ohio R. at Ironton, Ohio (J. F. Jackson) *954
Cappelen, see Bridges, Concrete.
Concrete:
Building a new bridge over an old one, Troy, Ohio *654
Cappelen memorial bridge, Minneapolis, design of 400-ft. arch.....e145, *148
Continuous frame design (A. G. Hayden) .....*73, see also *108
Knees for continuous frame concrete bridges, tests of (A. G. Hayden).. .....*108, see also 73
Laitance at joint causes failure of arch rib.....*355, (E. Godfrey) letter 460, (J. C. Rathbun) letter 682
Nashville, Tenn., bridges to be repaired 1090
Report on, by Dutch engineer.....n1062
Washington State adopts new type for highways 1045
Concrete girder, damaged by coal mine subsidence (G. F. Burch) *1046
Damaged by mine caving n276
Delaware River, see Phila.-Camden bridge.
Drawbridge pier destroyed by steamer.. 340
East River, see New York City.
Erection progress given on signboard (W. A. Schuerman) *549
Eyebar chains, temperature variation found slight *740
False bents jacked in place strengthen timber bridge as shovel crosses....*357

*Illustrated; a, abstracts; e, editorials; n, news

Floors:
Fires e1109
Forth Bridge floor reinforced 160
Precast concrete slabs replace wood blocks 823
Solid wood, with asphalt surface, Chicago bridges 75
Footbridge with bascule draw (Lieut. P. J. Searles) *680
Force-account building in South Dakota. e285, *302
Highway:
Cheaper, and Maine policy (L. N. Edwards) .....letter 720 .....
Concrete, continuous frame design (A. G. Hayden) .....*73, see also *108
Hudson River, see Hudson River.
Kelso, collapse, see Failures, Engineering.
Lengthening after caving of bank in flood (B. H. Faber) *703
Maintenance, points on 799
Members lengthened by welding (Com. A. C. Stott) ....letter 1058
Mississippi River, see Mississippi River.
Missouri River, see Missouri River.
Niagara, see Niagara.
Ohio R., at Ironton, Ohio, cantilever highway bridge (J. F. Jackson) *954
Painting, to prevent rusting between plates (A. H. Sabin) .....letter 271, (R. Khuen, Jr., H. A. Greene and C. R. Fickes) 460, (A. H. Sabin) letter 683
Phila.-Camden, see Phila.-Camden bridge.
Private enterprise e734, n765
Protection from autos (Bridge Guard) ....letter 131
Railway:
Plate-girder abutments held by brackets. 971
Widening and reinforcing (G. H. Wilsey) *796
Wooden, stresses in timber a544
Reinforcement, doubtful (C. B. McCullough) ....letter 460
Repair of defective piers cracked by expansion (L. G. Smith) *1081
Resource, a neglected e1070, *1072
Steel:
Largest arch proposed for Sydney, N. S. W. n726
Long-span, to be built over Niagara Gorge e378, *380
Protection from locomotive blasts (F. E. Morrow) ....letter *596

Building to be taught by Yale and Union n1099
"Buyers' strike," to avert n900
Columbia Univ. halts program n854
Conference, Am. Soc. C. E. pledges support n803
Hoover wants program before calling conference n812
Cost curves, how to develop (O. G. Wilbur) ....*294, (F. W. Dalrymple) letter 553
Costs:
High—cause, etc. n*516
High, check planned by New York building interests n810
Index number.....*42, 44, 232, 418, 645, e773, 810, 1023
Ten-year résumé n*42
Equipment:
Advertising record runs.....559, 602, 643, 694, 729, 769, 852, 900, 981
Better equipment and repair parts service n186, n229, n324, n379
Development in 1922 .....e7, 38
Distributors meet n229
Equipment problem, the 325
Exports.....n138, n325, n513, n688, n771, n852, n1104, n1145
Lubrication *1144
Maintenance, good paint and (R. C. Sheeler) n728
Neglected (C. E. Bement) n513
Orders, duplication, how can we stop e735, e773, letters 846, 893, 1013
Over-ordering abuses e817
Rental and depreciation record cards.*794
Standards to be developed.....n468
Waste, "contractors' graveyards" n560
Foreign projects, important.....n283, n375
Hoover letter to Pres. Harding..... e519, 562, n766
If Government postpones letting contracts n*605
Indiana building council law n691
Indicting a whole industry e99
Industry, state of e3
Inflation in industry, plan to curb..... n642, e693
In 1922 and outlook for 1923.....n233
Jurisdictional Board stands firm n984
Labor, shortage and relief—apprentice question, etc. (F. L. Glynn and D. K. Boyd) 62, e695
Large, private and public, value of....n*605
March contracts heaviest on record....n644
Materials:
Checking duplicate orders e773
Development in 1922 .....e7, 38
"Elasticity and Strength of Materials Used in Engineering Construction, Section I" (C. A. P. Turner), review by G. Paaswell .....312, (C. A. P. Turner) letter *715
"Elasticity and Strength of Materials," book review 1094
Haulage equipment 230
High prices react on finished products.n562
"Mechanical Handling and Storing of Materials" 502
Prices, Spring, since 1913..... n43
Prices today compared with other times n189
Prices, wholesale, for April 1923..n*1106
Production and stocks....n96, n282, n470, n*690, n*854, n1066
"Stores and Materials Control," book review 127
Overexpansion, how to avoid....e905, n935
Permits and contracts in 1922.....n189
Pictorial review of 1922 work..... *17
Progress in a new phase e52
Quantity survey system in bidding.....e377
Road work and construction congestion.e987
"Structural Members and Connections," book review 1095
To smooth out the curves....e519, 562, n766
Volume forecast, figures for n283
Volume index number.....n*42, 44, 232, 418, 645, e773, 810, 1023
Construction Division men, U. S. Army, resent fraud charges n412, n464
Continental Jewell Filtration Co., receiver for n982

CONTRACTORS (see also Asso. Gen. Contractors; see also Contracts)

Galveston causeway contractor liable for extra costs n806
"Graveyards" n560
Liable for delay of penalty clause work.n725
Navy, relief bill, special rule asked...n321
Pay office and toolhouse on wagon trucks (B. S. Bascome) *357
War, insurance money due n725

CONTRACTS, see also Contractors

April, average weekly value 59% higher than 1922 .....n810
Arbitration in contract practice..... e1030, (P. H. Hoge, Jr.) letter 1136
Bids:
Quantity survey system e377
Unbalanced by false statements of quantities (C. L. Bogert) 998
Unit 283, n563
Wanted on big jobs.....n143, 232, 283, 330, 374, n516, n605, 904, 944, 984, 1023, 1067, 1108, 1148
Building, bidding prices should be announced when award is made (C. S. Howell) .....letter 636
Engineering, how to better 616
February, heavier than 1922 .....n418
Highway, see Highways, Contracts.
Increase in 1922, 26% over 1921..... n44
January higher by 18% n232
Large.....n142, 189, 234, 283, 330, 374, 517, 606, 903, 944, 1023, 1067, 1108, 1148
Large, value, May-June, 1923—..—Construction News page 349
Louisville sewer contracts and arbitration (P. H. Hoge, Jr.)..... letter 1136, see also e1030
March heaviest on record n644
Overhaul specification, new n937
Prices on some large Feb. contracts...n418
Quantity survey system in bidding.....e377

Crandall, L., on seepage losses from Mackay reservoir 745

CRANES

Locomotive:
Better equipment and repair parts service n186
Capacity increased by lightweight bucket n*853
Equipment and repair parts service...n138
New trench-digging attachment.....n*373
Trench hoe attachment n*281
Luffing-boom, large, flexible propelling gear *1004
Runways design good practice (R. Fleming) *918
Traveling, has turntable to swing locomotives *250
Crawler dredge, see Dredges.
Crawshaw, J. E., see Howell, S. P.
Credit, taking all e608
Cresson, B. F., Jr., memorial meeting....n410
Cresoting, see Wood Preservation.
Crossings, grade, see Railways, Grade Crossings.
Crushers, see Rock.

CULVERTS

Concrete pipe, 7-ft., laid on N. Y. Central *456
Corrugated metal n543
Corrugated pipe tested n*941
Date tags on corrugated culverts ...n*644
Filling over, novel use of steam shovel (G. W. McAlpin) 266
Headwalls for pipe culverts (H. See)..*624
Pipe:
New, has great crushing strength....n1022
Shipped by parcel post n*684
Special footing for (P. L. Fetherston).*357
Tile reinforced encased (P. L. Fetherston)*264
Cunningham, Prof. W. J., "American Railroads: Government Control and Reconstruction Policies" 314
Curbs for concrete roads (C. Gayler)..letter 176
Curtis Bay, Baltimore, Md., pollution, committee to study n366
Curves, cost, for building estimates, how to develop (O .G. Wilbur)....*294, (F. W. Dalrymple) letter 553
Cut and fill, see Excavation.
Cutter, auxiliary, increases range of trench widths n*141
Cypress 200 centuries old dug up in Washington 215
Czechoslovakia issues information service.1096

D

Daily, C. M., on a departure in water-works intakes *884
On lining coal bunkers with concrete..*966
Dallas, Tex., Medical Arts Bldg., concrete frame and exterior for high tower building (W. J. Knight) *610
Votes for improvements n723
Water supply, second purification plant *1042
Zoning restrictions invalid.....n804
Dalrymple, F. W., on another method for deriving cost curves....letter 553, see also *294.

DAMS

Arch dam measurements (L. Jorgensen) ....letter 131.
Arch, investigators meet in San Francisco n598
Bolivia, building a dam in (R. A. Bennitt)*526
Building gravel retaining dam by dragline (C. H. Eiffert) *926
Calaveras, raised with dry fill and puddled core *117
Concrete, materials transported by burros (L. H. Dieterich) *679
Concreting leakage seams in small dam..1131
Construction, moving river sand by hydraulic elevator (R. F. Mundorff)..*1131
Deer Flat, see Deer Flat.

*Illustrated: a, abstracts; e, editorials; n, news

Don Pedro, completed n1062
Earth, built by flooding dry fill (A. S. Fry) *1118
Earth, percolation through and hydraulic pressure under (A. L. Fellows) *399
Failures of two small dams 788
Height; much ado about nothing—and dams (E. C. Jansen)....letter, with editorial comment, 131.
O'Shaughnessy, see O'Shaughnessy.
Santa Chiara di Ula, see below, Dams, Tirso.
See page losses from Mackay reservoir (L. Crandall) ....745 (J. Jacobs) letter 934.
Tirso, record height multiple arch dam, Italy (I. Gutmann) e817, *820
Danforth, G. C., on disastrous Maine floods due to heavy snow storage *891
Daniels, W. M., to teach transportation at Yale n*936
Danielson, F. D., on tractor-operated dredge pump cleans drainage ditch.....*1130
Davis, A. P., forced out as Reclamation director n1099, e1110
Am. Soc. C. E. acts on ousting.....n1138
Removal part of general upheaval n1139
Davis, D. W., new Asst. Sec. of Interior ..n554
Davis, H. K., on preparing dusty subgrade for concrete 84
Davy, C. W., on ironwood long lived in China....letter 87
Dean, A. W., on co-operation in highway construction *82
Death rates in 19 large European cities... 355
Debt owed by Great Britain to U. S., refunding e285
Deer Flat dam, beaching slopes on embankment of reservoir.....*1117
Defense Council, see National Defense Council.
De Laval Steam Turbine Co., pumps for Cleveland, Ohio n941
Delaware highways, see Highways, Delaware
Delaware & Hudson, centennial n726, e734, n763
Engineering in early days *840
Tentative valuation n723
Del., Lackawanna & Western, see Lackawanna.
Delaware River, power, Gov. Pinchot signs bill for board n975

Direct Oxidation Disposal Corp., see Potts, Clyde M.
Dirigible balloons, see Aeronautics.
Disc crusher, mounted 1146
Discharge, see Hydraulics.
Ditches, see Drainage
Ditching car, home-made *1052
Divers, see Caissons.
"Dobe, Chief Draftsman," exposed by A. A. E. 583
Dock, floating, new, at Southampton, Eng. n865
Dodge, Gen. G. M., monument to.....*121
Domestic Engine & Pump Co. new gasoline hoists n*1105
Portable triplex pump, for road builders *1146
Dominion Land Surveyors' Ass'n. Canada, meets n368
Don Pedro dam completed n1062
Donaghey, J. T., on state road maintenance by rough county organizations..e521, 534
Donaldson, W., on aeration experiments for removal of carbonic acid *874
Doors and window sashes, variety to be reduced n415
Douglas fir, see Fir.

DRAFTING

Bishop's "Structural Drafting" revised.. 127
"Chief Draftsman Dobe," exposed by A. A. E. 583
Blueprint dryer, new n*417
Guide for lettering drawings....n*771 (L. B. Tuckerman) letter 843, (E. C. Wood) letter 1098
Pantograph roller made from caster (H. D. Hurley) *175
Two devices *175
Tracing paper, new n644
Dragline, digs trench 23½ feet deep n*901
Used successfully in power canal deepening *267
Used to build gravel retaining dam (C. H. Eiffert) *926
Drag, see Highways, Drags.

DRAINAGE, see also Land Reclamation.

Contractors approve standard specification n35
Diagram for capacity of trapezoidal channels of 1 to 1 slope in inch-acres per 24 hours (G. A. McCubbin) *552
Ditches, open, diagram for designing with 1:1 side slopes (F. T. Mewes) ..*173
Ditch power, lined while in service *345
Indiana makes state survey 660
Mine, see Sewage Treatment, also Water Supply.
Project on Columbia River adjoining Portland, Ore. (W. P. Hardesty) *395
Record of walking dredgework in delta land (A. S. Fry)....e567, *579, (H. T. Gracely and others) letters 934.
Tile, concrete, tar impregnation for 828
Tractor-operated dredge pump cleans drainage ditch (F. D. Danielson)...*1130
Drawbridge, see Bridges.
Dredges, crawler digs ditches between fruit-bearing trees n*644
Records of walking dredgework in delta land drainage (A. S. Fry)....e567, *579, (H. T. Gracely and others) letters 934
Drilling rock, submarine records and unit costs (E. Low) 750
Drinking water, satisfactory n1009
Drought, how Johnstown Pa., water company fought 451
Dumper, car, cable-operated n*1105
Dunham, H. F., on steel stresses and bad work....letter 801, see also 653.
Duplication of orders, see Construction, Equipment.
Durham, H. W., on brick paving in City of Panama....letter 272.
Dust explosion damages grain elevator, West St. John, N. B. n35
In grain elevators, prevention of 914
In St. Louis flour mill..... n89
Dynamite, see Blasting.

E

Earth dams, see Dams.
